Partner Information Fact Sheet

A.Y. 2025-2026

Institution Overview

The University of Macerata (Università degli Studi di Macerata) is a renowned institution located in the heart of Italy, offering a wide range of academic programs and a strong commitment to international cooperation and exchange. The University fosters a dynamic, multicultural environment with a rich history of academic excellence.

International Partnerships

The University of Macerata is actively engaged in global cooperation through a wide network of agreements, offering numerous exchange opportunities and collaborative initiatives across various fields. This includes over 350 Erasmus+ agreements with European universities and bilateral partnerships with institutions around the world, including in Argentina, Brazil, China, Japan, and the USA. These agreements foster academic exchange and strengthen international collaboration.

[Application Details](#)

Language Requirements

Italian: Minimum A1 level. An **Entry Test** is required for Erasmus+ students.

English: Minimum B1 level. English certification is required for Erasmus+ students accessing English-language courses.

[Language Requirements](#)

GPA Requirements

There is no minimum GPA requirement to participate in the exchange programme, but some courses may have certain prerequisites.

Course load

The usual workload is 30 ECTS credits per semester. UniMC offers bachelor and master level courses.

Choosing courses

The University of Macerata primarily offers [courses in Italian](#), with some departments providing [courses in English](#). International students should prioritize course selection in the department they are nominated to. All courses are available to both international students and university undergraduates.
