

DEPARTMENT OF ECONOMICS AND LAW
COURSES TAUGHT IN ENGLISH
<https://economiaediritto.unimc.it/en/teaching>

- The **Department of Economics and Law** offers both in the first and second semesters, a wide range of courses in English.
- They are especially suitable for and recommended for incoming students, who will study in Macerata in the framework of bilateral agreements, or Erasmus international mobility.
- Students can find the updated syllabus for each course by searching the lecturer's name or the teaching activity in the "search" field of the webpage: http://docenti.unimc.it/front-page?set_language=en&cl=en
- Every year at the Department of Economics and Law [visiting scholars from all over the world](#) deliver also seminars and lectures and incoming students are always very welcome to such events.
 You can find an extensive list of seminars, section "Scheduled seminars" of the webpage: <https://economiaediritto.unimc.it/it/site-news/eventi/eventi>
