The advance payment of 50% of the expected contribution will be paid within 30 days from the signing of the mobility contract and in any case not before the transmission to the International Mobility Office of the certificate of the beginning of the stay signed by the partner institution; the remaining 50% will be paid at the end of the mobility period, after the student has obtained the recognition of the examinations taken abroad.

The contribution relating to the first instalment will be calculated on the basis of the **ISEEU** for the academic year 2026/2027; if this is not available, the ISEEU for the previous year will be considered. Due updates will

be made in the event of differences in the ISEEU at the time of payment of the balance. If the student does not document her/his ISEEU, the maximum value of € 50,001.00 will be considered and she/he will consequently receive the lowest financial contribution.

The student/student must ask the Mobility or International Relations Office of the host university to issue the document certifying the start date of the study period at the partner university, which the university itself will send by email to both the student and the International Mobility Office of the University of Macerata at cri@unimc.it.
