If the student does not report the credits as specified, s/he will have to return the advance payment.**

The contribution relating to the first instalment will be calculated on the basis of the ISEEU for the academic year 2024/2025; if this is not available, the ISEEU for the previous year will be considered. Due updates will be made in the event of differences in the ISEEU at the time of payment of the balance. If the student does not document her/his ISEEU, the maximum value of € 50,001.00 will be considered and she/he will consequently receive the lowest financial contribution.

The student/student must ask the Mobility or International Relations Office of the host university to issue the document certifying the start date of the study period at the partner university, which the university itself will send by email to both the student and the International Mobility Office of the University of Macerata at [cri@unimc.it](mailto:cri@unimc.it).

In the event that the student/s renounces the mobility after his/her departure and/or does not obtain the minimum number of CFUs envisaged in the Learning Agreement, he/she will be required to return the sums received.
